## REVIEW OF MARKETS

## FINANCIAL AND COMMERCIAL

Stocks, Money, Exchange, Bonds, Grain, Cotton, Provisions, Etc.

These Are Closing Sales Each Day.

New York, June 25.—There was considerable speculative activity in the stock markets to-day, and the fluctuations in prices were quite wide and frequent. The net changes are mostly small, so that the result of the day's trading is not conclusive as to the turn in prices. The market was exceedingly irregular all day and at times much confused. The opening depression in sympathy with London, where the Chinese outbreak had an unfavorable effect, was generally evercome. Prices then broke with some violence, the bear attack being declede, and especially against Baltimore and Ohio. Pressure was in evidence also against Brooklyn Rapid Transit. Baltimore and Ohio is one of those stocks which has been most advanced in price on predictions of a dividend disbursement, and whispers were current to-day that the declaration of a dividend would at least be deferred. The stocks suffered to the extent of 4 per cent, at the lowest level. Brooklyn Rapid Transit soid to 49, which was 2% below Saturday's level.

ntive depression, bond market was not very active rice changes irregular. Sales, par \$1,185,000. ed States 3's and new 4's declined the bid price. The total sales or were 512,400 shares. York, June 25.—Standard Oli, 5.254
